Question-14

Which capital would you consider the best — land, labour, physical capital and human capital? Why?

Solution:

The capital I consider the best is Human Capital because there are countries like Japan that have invested in human resource as they did not have any natural resource. These countries are developed and rich countries. They import the natural resource needed in their country. They have invested on people especially in the field of education and health. These people have made efficient use of other resource like land and capital. Efficiency and the technology evolved by people have made these countries rich and developed.
