Visualising Solid Shapes Ex 19.2 Q1

Answer :

Here

(a) → (ii)

(b) → (iii)

(c) → (iv)

(d) → (i)

Visualising Solid Shapes Ex 19.2 Q2

Answer :

Only (ii), (iv) and (vi) form a cube.

Visualising Solid Shapes Ex 19.2 Q3

Answer :

Since, in a die, the sum of the number of opposite faces of a die is 7. In the given figure, it is not possible to get the sum as 7. Hence the given net is not suitable for a die.

********** END *********

Answer :

Since, in a die, the sum of the number of opposite faces of a die is 7. In the given figure, it is not possible to get the sum as 7. Hence the given net is not suitable for a die.
